

Jacco Is Pleased To Introduce You To Our Operations Department Team!

Beginning this year, we combined a team of three engineers and a project manager to form an Operations Department. The team is available for you by phone (330) 463-0100 Monday through Friday from 8:00 a.m. to 5:00 p.m in the Jacco office.

Our Operations Department was developed to help answer any questions you may have and in addition offer assistance in the following:

- 30-minute design
- Project Support
- Delivery Issues
- Installation Questions
- Project Advice

From left to right Erik, Brenda, Mike and Chad.

Erik Clapp has been with Jacco for two years. He earned his Bachelor's Degree in Mechanical Engineering from The

University Of Akron in 2010. At Jacco, he estimates and manages projects for engineers and contractors. In Erik's free time he likes to read, bike, go
If and play board games with friends and family. Erik is expecting his first child in March!

Mike Spangler has been with Jacco for over two and a half years. He is a Project Manager and also part of the operations department involved with Engineering, Quoting and Training to name a few. Mike graduated from The University of Akron's Construction Engineering Program and also has background in Controls. Mike's hobbies include water sports and just recently golf.

Chad Russell has been with the Jacco team for a little over two years. He graduated from the University of Toledo with a Bachelors degree in Mechanical Engineering Technology. At Jacco he handles a little bit of everything, from estimating and submittals, to project management. In Chad's free time he likes to play music, guitar and bass, and work on his 49' Ford Custom.

Brenda Homjak is a twenty year veteran of Jacco with leadership roles in both Customer Service and Operations. She works directly with the Operation's Engineers handling the coordination and logistics of orders. Brenda attended the University of Kentucky and has a Business Administration Degree with Fugazzi College. She enjoys traveling, family visits and hikes in the Cuyahoga Valley National Park.
