

## **AAON Voted "Product of the Year"** by Consulting-Specifying Engineer Magazine

Aaon's Low Leakage Dampers and M2 Series Modular Geothermal Heat Pump were recently named 2015 Product of the Year - Gold, by the readers of Consulting-Specifying Engineer, a monthly publication with a circulation of more than 47,000 mechanical, electrical and plumbing (MEP) engineers.

These awards add to the company's previous Product of the Year successes, including three bronze award winning years, two silver award winning years, one gold award winning year and one Most Valuable Product win.

### **Aaon Low Leakage Dampers:**

- Gold award winner in the Air Movement category
- Installed on all AAON RN Series rooftop units
- Air Movement and Control Association Class 2 Certified
- Allow no more than 10 cfm/sq. ft of leakage at 1 in. wg of pressure
- Reduces unconditioned air leakage into the building
